

Motor range overview

Motor options:

- Special output shafts
- Pinion or bush on output shaft
- Special supply voltages
- Special wire lengths
- Special output bearings
- Optional encoder
- Special mounting plate
- Customised electronics
- Special construction materials
- Special connectors
- Special IP rating

20 N.m

0,5 N.m

Gearbox options:

- Special output shafts
- Special ratios
- Special gear wheel material
- Special output bearings
- Special mounting plate
- Special construction materials
- Special IP rating

Example motor

Brushless DC motor with special connector
